ISSUES AND ACTIONS: A note: online petitions and letter writing sites are quick and easy. They will also get you on email lists (which you are free to unsubscribe from). It may be more effective to write your own letters. Contact info for Congresspeople and the President is below.

STOP & PREVENT U.S. WARS EVERYWHERE

- *CONTINUING OPPOSITION TO MERGER OF U.S. & ISRAEL MILITARIES. Tell the Senate: Section 219 Must Go! Read and sign petitioSn at*

https://act.ourrevolution.com/sign/tell_the_senate_strip_section219_nov_negotiations_ndaa/ and at https://act.winwithoutwar.org/act/strip-section219-ndaa. This merger is opposed by Our Revolution, Democratic Socialists of America, US Campaign for Palestinian Rights Action, Jewish Voice for Peace, Showing Up for Racial Justice and many more. Use the phoning site https://act.uscpr.org/a/ndaa to urge Congresspeople to vote NO.

- *ECOCIDE AS WELL AS GENOCIDE IN GAZA. A special panel at COP31 (the climate conference) focused on the "Toxic Legacy of the Gaza genocide." The U.S. supported Israeli war on Gaza, has affected the global climate in many ways, including the CO2 emitted by both countries' militaries, the destruction of farmland including uprooting of olive trees, the destruction of buildings, and the poisoning of air, ground, and water. See a video at https://www.youtube.com/watch?v=c8M12H1yvHI.*

OPPOSING ICE AND BORDER PATROL VIOLENCE AND DENIAL OF RIGHTS: **First they came for the immigrants.**

- ***Treating immigrant children like criminals?*** *Send letters to "Tell Your Senator: Vote NO on H.R. 4371 and Protect Unaccompanied Minors from Strip Searches and Prolonged Detention" at site https://actionnetwork.org/letters/protect-unaccompanied-immigrant-children-from-detention/ or better yet write you own letters. See contact info below.*

- ***We already knew that.*** *A Nov. 20 New York Times article is entitled "A '**Catastrophic Failure**': Watchdog Officials Find Cascade of Problems With **ICE Training**." This is not news to all of us who have followed the news stories, watched the bystander videos, and condemned the unnecessary violence and killings. About time the "watchdog officials" spoke out.*
- *Tell Trump and the Department of Homeland Security: Immediately **halt deportations to Iran**. Don't send people back to face torture or death. [and possible U.S. and Israeli bombing] Read more and sign a petition at https://civicshout.com/p/stop-trump-from-deporting-people-to-war-torn-iran*

CONSTITUTIONAL RIGHTS & DOMESTIC AFFAIRS. ***Next, they came for the transgender people.***

- ***Moms "for Liberty" is saving us from DEI.*** *Apparently, they prefer Uniformity Inequity Exclusion to Diversity Equity Inclusion. Not only are they against DEI, they are using AI to scan material from 13,000 school boards and suing if anything displeases them, such as standing up for the rights of **transgender students**. Sign a petition to urge school boards to resist Moms for Liberty's threats at https://actionnetwork.org/forms/stand-up-to-moms-for-liberty/. Note that Action Network has been having tech difficulties, so try later if you can't get through.*
- ***Prevent Eligible Americans From Losing Medicaid*** *due to recently imposed bureaucratic hurdles. Sign a petition to Congress at https://civicshout.com/p/congress-prevent-eligible-americans-from-losing-medicaid.*

BEYOND THE HEADLINES: DESIGNING CREATIVE NONVIOLENT ACTION

Tues Nov 24, at 9-11 am Pacific Time, Zoom

How can we use creative nonviolent action to make news, engage the public, and bring about meaningful change?

Join the Metta Center for Nonviolence as we host an interactive training with Nadine Bloch of Beautiful Trouble. We'll explore the power of creative nonviolent tactics to capture public attention, shift narratives, and open new possibilities for change. What makes an action effective? How can we move beyond simply raising awareness to building momentum and advancing a larger strategy?

Drawing on real-world examples, Beautiful Trouble's rich collection of resources for creative activism, and our own creativity, we'll explore how nonviolent action can challenge assumptions, engage communities, and tell a different story about what's possible. Come ready to learn, experiment, and imagine new ways of putting nonviolence into action.

LESSONS FOR LABOR FROM THE ONGOING FIGHT AGAINST FASCISM IN MINNESOTA

Tues Dec 1, at 4:30 pm Pacific time, Zoom

How did organizers build durable and powerful labor-community coalitions in Minnesota? What were they able to accomplish? What is the ongoing fight to build working-class power and fight authoritarianism, and to defend against the resultant blowback?

Join Center for Political Education, In These Times, and Standing for Democracy for a special discussion with labor organizers from Minneapolis facilitated by labor journalist Sarah Lazare. We'll talk about the lessons labor can learn from this powerful period of organizing and what tasks remain for the labor movement to remain a powerful force for democracy moving forward.

Donations will benefit the Minnesota 15 defendants. See https://minnesota15.org/ [Note: if the indictment can be believed, which is questionable, to say the least, at least some of the defendants advocated use of violence. FOR does not advocate use of violence!]

WEBINAR: CRIMES AGAINST HUMANITY:
132,000 ENFORCED DISAPPEARANCES IN MEXICO

Weds Dec 2, 7 am Pacific time, Zoom

In Mexico, more than 130,000 people are officially listed as missing. Their mothers, sisters and sons, loved ones have spent years searching for them themselves: combing fields and morgues, and investigating cases that prosecutors abandoned. This month, they took that work to the United Nations, and we went with them in solidarity and in support of their mission.

On October 20, for the first time in history, a UN human rights body brought a country before the General Assembly over enforced disappearances. The UN Committee on Enforced Disappearances found well-founded indications that disappearances in Mexico may amount to crimes against humanity. Rather than simply condemn, the Committee

offered Mexico international assistance and cooperation to help end disappearances.

At this webinar you will hear from experts like Omar Gómez Trejo, Director of Global Exchange's Habeas Corpus Lab, about the realities around enforced disappearance in Mexico and how Article 34 can help creating a new precedent to address this unprecedented crisis

PRESERVING WASHINGTON'S ESSENTIAL FAIR HOUSING PRACTICES FOR HOUSING STABILITY

Weds Dec 2, from 11 am-12:30 pm with post-session community space 12:30-1 pm Pacific time

WA Housing Alliance event. Recent federal policy shifts have changed enforcement priorities under the Fair Housing Act, creating new challenges for housing providers, advocates, and communities. Since 2025, key federal guidance has been withdrawn or revised, while Washington State and several local jurisdictions continue to uphold stronger protections for marginalized groups. This has been due to the incredible dedication and advocacy of staff at Fair Housing Center of Washington serving Western Washington and Northwest Fair Housing Alliance serving Eastern Washington, along with partners, allies, and community members. Once again, federal funding for Fair Housing Enforcement is under threat. We will learn about essential Fair Housing strategies and best practices that have been in place for decades as

tools for anti-discrimination, equal rights and racial equity, the challenges faced by fair housing organizations, and what we can do as advocates to help uphold fair housing in our state.

Speakers:

- Adria Buchanan, Executive Director, Fair Housing Center of Washington
- Marley Hochendoner, Executive Director, Northwest fair Housing Alliance

FILM "EARTH'S GREATEST ENEMY" U.S. MILITARY

Fri Dec 4, at 5-7:30 Pacific time, Zoom

Join Pacific Peace Network (PPN) for a Film Screening with Discussion: Earth's Greatest Enemy, the second feature film project by Abby Martin, is a groundbreaking anti-imperialist environmental documentary.

Exempt from international climate agreements and rarely scrutinized in mainstream reporting, the Pentagon is the world's single largest institutional polluter—spewing carbon, contaminating water, and scarring landscapes across the globe.

Combining investigative journalism, striking visuals, and stories from impacted communities, this film challenges audiences to rethink the hidden costs of a global military empire and its planetary consequences. Provocative, urgent, and eye-opening, this is a

documentary that will change how you see both the military and environmentalism.

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups https://meaningfulmovies.org/events/locations/

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See https://meaningfulmovies.org/events/ for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at https://meaningfulmovies.org/donate/ or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
