DEMOCRACY WITHOUT ELECTIONS

Weds Jan 8, 5-6:30 pm Pacific time, Zoom

Democracy Happy Hour presented by Fix Democracy First. Grab a drink and come hear about the latest democracy news, ongoing efforts to fix democracy, and actions you can take.

Democracy Without Elections with Lenora Camner, Executive Director. Democracy without Elections is a member-run 501c3 nonprofit that promotes the use of democratic lotteries. In a democratic lottery, legislatures or groups of leaders are selected by lottery from the common people.

Democracy Without Elections wants to create a government that is representative of the people. We believe that a broad cross-section of everyday Americans selected to serve for limited terms would do a better job of running the country than career politicians beholden to donors and special interests. If you are committed to the same values, we welcome you to join us.

GUANTANAMO UNCOVERED

Thurs Jan 9, 4pm Pacific time, livestream

Join Center for Victims of Torture for an exclusive, behind-the-scenes look at the groundbreaking reporting on Guantanamo by the producers of Serial—Dana Chivvis and Jessica Weisberg. In this live-streamed event, Dana and Jessica will sit down with experts from the Center for Victims of Torture (CVT) to explore the past, present, and future of the notorious U.S. military prison. Over the course of their years-long investigation, Serial’s team uncovered the untold stories of those detained and tortured at Guantanamo, shedding light on the systemic injustice that continues to this day.

This conversation will delve into the collaboration between Serial and CVT, who have long been at the forefront of efforts to close Guantanamo, provide trauma-informed care for survivors, and advocate for justice. For nearly 23 years, Guantanamo has operated largely in the shadows, and the stories of those impacted—detainees and personnel alike—have been silenced. Join us as we ask: What is it like to investigate such deep injustice, and what hope remains for the future of Guantanamo?

Don’t miss this rare opportunity to hear firsthand from those who have spent years uncovering the truth and fighting for change.

DEMOCRACY VOUCHERS AND THE PROMISE OF FAIRER ELECTIONS

Weds Jan 15, 5-6:30 pm Pacific time, Zoom

Democracy Happy Hour presented by Fix Democracy First. Grab a drink and come hear about the latest democracy news, ongoing efforts to fix democracy, and actions you can take.

Democracy Vouchers and the Promise of Fairer Elections with Jennifer Heerwig, co-author of the book described below.

“Democracy Vouchers and the Promise of Fairer Elections in Seattle” critically evaluates the success and impact of this program. Jennifer Heerwig and Brian J. McCabe emphasize how local elections now attract a much wider and more diverse field of both donors and candidates. They also consider external threats to the program, from litigation about the constitutionality of a voucher program to the rise of independent expenditures.

Offering important lessons on how other cities can adopt a similar program, this compelling case study also highlights the obstacles that will likely arise in its implementation.

In the morning, you'll learn about our state's legislative process, policy solutions to issues facing Washingtonians living on low incomes, and how to share your story to influence your lawmakers to act. Then, you'll work together with neighbors from your legislative district to plan out and practice for your lawmaker meeting.

After a hearty lunch, you and your group will head over to the Capitol Campus to meet with your lawmakers and advocate for policies to end poverty in our state!

Throughout the day, we will provide snacks, coffee, and all the information you will need to meet with your lawmakers and advocate for your community. For the most up to date information and resources, see the event page at

13th Annual Farmworker Tribunal in Olympia

Tues Jan 21, Olympia details TBA

Since 2013, Farmworkers have been organizing the Tribunal in Olympia to put forth a political vision to transform the agricultural industry to just food systems.

At the Tribunal, Farmworkers present evidence from lived experience of continued exploitation housed within a culture of retaliation in the workplace, call for accountability from the agricultural companies responsible, and demand recognition and redress from Washington State. With the impacts of climate change rising every year, policy makers can no longer afford to ignore the fact that farm workers can bring solutions for a just food future.

Farmworker leaders of Community to Community Development and Familias Unidas por la Justicia invite the public and the press to witness testimonies and listen to our victories and celebration of all that we have accomplished.

Free introduction to the Alternatives to Violence Project (AVP). We are a group of concerned citizens who offer workshops to address root causes of violence and develop skills and practices to build community, develop trust, empathy, communication, and conflict transformation skills. Alternatives to Violence Project offers workshops which build on affirmation, community building, communication, and cooperation. We practice these skills with each other in deep as well as fun exercises. These skills set us up to be open to nonviolent, creative conflict resolution. The workshops are facilitated by a team who respond to the group to create a safe and positive space. This allows participants to learn from each other, practice new ways of interacting, emotionally grow, and even begin healing from trauma.

Film “From Ground Zero”, filmed in Gaza over the last year, the first film ever from Gaza to be elected to the shortlist for the Oscar in the

category that honors what used to be known as the Best Foreign Film of the Year, is unlike any movie you've ever seen — filmed during a mass slaughter of over 50,000 civilians, the vast majority of them children, women and the elderly. In a brisk and powerful one hour and fifty-two minutes, it weaves together 22 short films made by 22 courageous Palestinian filmmakers living and surviving in Gaza over this past year — all of it told in under 2 hours!

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion.

Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at <https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
