- [END ICE VIOLENCE](#)
- NO WAR ON [PALESTINE](#)
- NO WAR ON [CUBA & Venezuela](#)
- [EVENTS INDEX](#)

*Rev. Martin Luther King, Jr., took a stand against the war in Vietnam in 1967, in a speech referred to as "Beyond Vietnam." He had the wisdom to say, it's not only about Vietnam, but about the U.S. propensity to wage war, which must be stopped. An excerpt: "The war in Vietnam is but a symptom of a far deeper malady within the American spirit, and if we ignore this sobering reality we will find ourselves organizing ... for the next generation. [We] will be concerned about Guatemala and Peru ... Mozambique and South Africa. We will be marching for these and a dozen other names and attending rallies without end unless there is a significant and profound change in American life and policy."*

Hello to all Members and Friends of Western Washington Fellowship of Reconciliation (WWFOR)

**Note: there is so much going on, you may be seeing only part of this message; if so, links to the later parts may not work. Check for a "view entire message" link at the bottom.**

### **STOP** WAR ON IRAN

Neither WA Senator has yet co-sponsored S.J.Res.104]

- **Write more letters** to Congresspeople urging them to do everything in their power to STOP Trump's war. Go to <https://www.codepink.org/iranaction> and <https://action.aclu.org/send-message/war-on-iran>

## PALESTINE / ISRAEL

- The US Campaign for Palestinian Rights urges us to oppose Rep Castens **deceptive “Ceasefire Compliance Act”** because it would allow continued US supply of weapons to Israel. Instead the organization continues to support Rep Ramirez’s **Block the Bombs Act** H.R. 3565. Go to <https://actionnetwork.org/letters/block-the-bombs-act> for more info, and a letter-writing site you can use. Thank or urge your Rep to support, ask Senators to sponsor a companion bill.

- Tell Congress: Act Now to **Stop Ethnic Cleansing in the West Bank**. Ask your members of Congress to take immediate action to oppose Israeli settler violence, stop home demolition orders, and block the bombs to the Israeli military right now. Write letters at <https://actionnetwork.org/letters/tell-congress-stop-ethnic-cleansing-in-the-west-bank>.
- *Back to [top](#)*

## NO WAR ON CUBA & VENEZUELA

- Trump policy is to starve the people of Venezuela and Cuba. He is also talking about regime change in Cuba and has already kidnapped the President of Venezuela. Urge your Rep to support *H.Res.1056 - Calling for the **annulment of the Monroe Doctrine** and the development of a "New Good Neighbor" policy in order to foster improved relations and deeper, more effective cooperation between the United States and its Latin American and Caribbean neighbors*. ## IRAN IN FOCUS: STOP TRUMP'S WAR

Mon March 2, 4-5 pm Pacific time, online

Over the weekend, the United States and Israel launched airstrikes against Iran, a dangerous escalation that risks dragging us into another devastating, decades-long conflict. This war threatens the lives of U.S. service members, endangers millions of people across the region, and could destabilize the entire Middle East.

We know one thing for sure: more bombs and more war will not bring peace, stability or safety to anyone. We'll hear from activists, foreign policy experts, and members of Congress who are calling for immediate de-escalation in Iran and demanding immediate action to rein in Trump.

RSVP to join MoveOn, 50501 and Win Without War for an emergency mass call. Together, we'll talk about what's at stake, map out actionable next steps, and launch a nationwide push to tell every elected official: no more endless wars.

WOMEN IN CONFLICT ZONES IN AFRICA, CARIBBEAN, LATIN AMERICA

Weds March 4, 9-10:30 am Pacific time, Zoom

World Beyond War presents a webinar on Women in Conflict Zones in Africa, Caribbean, & Latin America. Women are uniquely and disproportionately affected in conflict zones around the world, while at the same time leading much of the peacebuilding, care, and conflict resolution activities. Despite these truths, women are typically left out or underrepresented in official political discussions and negotiations. This webinar highlights women's agency and leadership in conflict zones across Latin America and Africa.

In this webinar we will hear from women in Democratic Republic of Congo, Nigeria, Somalia, and Sudan in Africa, as well as women in Colombia, Cuba, Mexico, and Venezuela who are resisting U.S. military imperialism in Latin America and the Caribbean. Ann Wright will open the webinar by describing the Western Hemisphere Institute for Security Cooperation (WHINSEC) established by U.S. Congress in 2001

to replace the School of Americas (SOA). Ann Wright will also provide the latest on AFRICOM activities on the continent.

## INTERNATIONAL WOMEN’S DAY

Sun March 8, all day, everywhere (watch for events on this day and surrounding dates)

From the United Nations website (below): On 8 March 2026, rally with women and girls around the world to demand equal rights and equal justice to enforce, exercise, and enjoy those rights.

Nowadays, no nation has closed the legal gaps between men and women. Right now, women have only 64 per cent of the legal rights that men hold worldwide. In fundamental areas of life, including work, money, safety, family, property, mobility, business, and retirement – the law systematically disadvantages women.

International Women’s Day 2026 (IWD 2026), under the theme, “Rights. Justice. Action. For ALL Women and Girls”, calls for action to dismantle all barriers to equal justice: discriminatory laws, weak legal

protections, and harmful practices and social norms that erode the rights of women and girls.

## RESISTING AUTHORITARIANISM TRAINING

March 14, 12:45 – 4:30 pm, at First Presbyterian Church • 1031 Garden Street, Bellingham, WA 98225

The authoritarians have a playbook, and so does the resistance. And it works! 🤝 Around the world, training pro-democracy activists is a core strategy of successful movement fighting authoritarianism—for strengthening civil society’s capacity for nonviolent resistance.

Join us for a training created by Freedom Trainers. Backed by extensive pro-democracy research and data, and fused with direct action training, these trainings are taking place all over the U.S.

At this training, together we will:

- Examine the authoritarian threat
- Learn about the pillars of power
- Learn how to shift power away from the autocrats using individual and collective noncooperation
- Foster an understanding of why noncooperation is the strategy to meet the moment
- And finally, strategize how to build a mass movement of resistance in Bellingham.

For this training, we ask for a \$5-\$20 sliding scale Venmo donation to cover the location and materials and to reserve your spot. Venmo @Bellingham-Troublemakers

## ROOTWORK: A LIVING TOOLKIT IN THE FACE OF STATE REPRESSION

Wednesdays March 25, April 29, 5 pm Pacific time, Zoom

Cener for Constitutional Rights presents a 3-session course. [Part 1 has already occurred.]

Rootwork: A Living Toolkit in the Face of State Repression will ground participants in an understanding of the systemic tactics of dehumanization and criminalization that the U.S. empire continues to deploy against oppressed communities. Together, we will examine how to stay informed, centered, and embodied through this current escalation. Attendees will leave this course with tools for rethinking personal and collective safety in their everyday lives.

Participants may attend any or all sessions, but are encouraged to attend all three

- Class 1: [has already occurred] Re-Centering Community Power. Anti-capitalist abolitionist, lecturer, researcher, and mutual aid organizer J.P. Hill leads a course on resisting fascist greed. In the era of ICE, expanded attacks on dissent, and escalated use of state power in multiple forms, resistance must grow locally and interpersonally.
- Class 2: We Take Care of Each Other. Co-led by Afeni Evans of Facts and Fire and Phoenix of America Hates Us, this interactive course will focus on mutual aid, community care, building power, and staying safe, both online and offline.

- Class 3: New Media Studies. Taught by Pulitzer grant recipient and journalist Afeef Nessouli, this course will provide the foundations of media literacy as information becomes increasingly polluted and propagandized. We will also explore how dehumanization is employed in media to allow governments to erase people and extract their resources.

### MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood

affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at <https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
