Hello to all Members and Friends of Western Washington Fellowship of Reconciliation (WWFOR)

Note: there is so much going on, you may be seeing only part of this message; if so, links to the later parts may not work. Check for a “view entire message” link at the bottom.

STOP WAR ON IRAN

- *U.S. PRESIDENT HAS TOTALLY LOST IT: On Truth Social and X "Open the F***in' Strait, you crazy bastards," [he did not use asterisks] "Tuesday will be Power Plant Day, and Bridge Day, all wrapped up in one, in Iran" **The point we are making here is not the profanity. It's the threatened war crimes.***
- *TELL CONGRESS NO MONEY FOR WAR ON IRAN. Go to the letter writing site <https://actionnetwork.org/letters/tell-congress-no-war-on-iran/>. You can rewrite the subject line and the letter' suggesting to stress two points. This war is unauthorized and*

Congress should pass a War Powers Resolution to say so; AND Congress should not allow any spending on this illegal, immoral war.

- *Read more and sign petition “The House Must VOTE TO STOP WAR on Iran” at <https://act.winwithoutwar.org/act/iran-wpr-house-mar26>. Also Tell Congress: No more war. NOT ONE MORE DIME to fund violence. <https://act.winwithoutwar.org/act/no-war-iran-apr26>.*
- *BOOTS ON THE GROUND IN IRAN? Congress Must Stop Trump From Sending American Troops Into Iran – And Vote NO on the Draft! Sign on at <https://actionnetwork.org/letters/congress-must-stop-trump-from-sending-american-troops-into-iran-and-vote-no-on-the-draft/>.*
- *THE COST OF WAR: See Al Jazeera’s site US-Israel attacks on Iran: Death toll and injuries live tracker <https://www.aljazeera.com/news/2026/3/1/us-israel-attacks-on-iran-death-toll-and-injuries-live-tracker>. Two thousand deaths in Iran, over one thousand in Lebanon, other deaths among U.S. military, and several Gulf area nations. This website does not include the Gaza and West Bank deaths in ongoing Israel-Palestine conflicts. One million displaced in Lebanon. Many homes, hospitals, schools, and factories destroyed or damaged. Petroleum shortages and price increases many places around the world.*
- *IMPEACH HEGSETH. There are many reasons to do that, among which are his enthusiastic participation in a war of choice and his commitment to war crimes under U.S. and international law. Read more and write letters to “Demand Congress Impeach Secretary of Defense Pete Hegseth Now” from <https://actionnetwork.org/letters/impeach-hegseth/>. And/or sign the petition at <https://sign.moveon.org/petitions/fire-pete-hegseth>.*

OTHER WARS U.S. is promoting

- ISRAEL-PALESTINE. *Death sentences for Palestinians, not for Jews. For decades, Israel has declared itself a democracy and denied being an apartheid state. See the article “Israel’s death penalty law constitutes discriminatory regime of capital punishment: UN experts” by the United Nations Office of the High Commissioner on Human Rights at <https://www.ohchr.org/en/press-releases/2026/04/israels-death-penalty-law-constitutes-discriminatory-regime-capital>.*
- ISRAEL-PALESTINE. *Write letters to protest restrictions on Muslims from praying at **Al-Aqsa Mosque** in occupied East Jerusalem. This site and nearby areas are of great religious significance to Muslims, Christians, and Jews, and has long been accessed by all under “status quo” agreements. Israel has lately been excluding Muslims from the Mosque. Read more and send letters from <https://palestine.salsalabs.org/protectalaqsa/index.html>*
- CUBA. *Tell Your Senators: No War on Cuba! <https://www.codepink.org/actcuba>.*
- CUBA. *End the Fuel Blockade on Cuba That Is Harming Hospitals and Putting Millions of Lives at Risk Read more and sign a petition at <https://www.thepetitionsite.com/141/655/885/>.*
- LEBANON. *Well over a thousand civilians have been killed, a million people forced from their homes. Read more and write letters “Tell Congress to Take These Steps to End the War on Lebanon” at <https://rootsaction.org/congress-end-war-on-lebanon>*

DEATH PENALTY

- We have always **opposed the death penalty**, and while Washington state allowed it we were an active participant in the Washington Coalition to Abolish the Death Penalty. We applaud the organizations working on abolition, including Death Penalty Action. See their petition site <https://deathpenaltyaction.org/take-action/execution-petitions/> to take a stand against all known scheduled executions in the U.S.
- <https://www.witnesstoinnocence.org/>
<https://innocenceproject.org/>
- **Guilt or innocence?** Most or all people who support the death penalty would say it shouldn't be applied to those innocent of the crimes for which they were convicted. Yet there are numerous cases in which DNA tests might indicate innocence, yet have not been performed. Read about the case of **James Duckett in Florida, sign the petition** at <https://actionnetwork.org/petitions/stop-the-execution-of-james-duckett-in-florida-2/>.
- **Guilt or innocence, again.** See the NY Times article "Supreme Court Rejects Appeal From Death Row Inmate Seeking DNA Testing" Rodney Reed's quest over the last decade to obtain DNA testing to try to prove his innocence [...] at <https://www.nytimes.com/2026/03/23/us/politics/supreme-court-death-row-appeal.html> [there may be a paywall]. U.S. PRIORITIES – HUMANITY OR PROFIT?

- **AI Data Centers:** What do they do? Suck up power that could be used to light and heat homes. Destroy the environment. Cost everyone increased utility bills. Enable AI that is used in warfare including “correct” targets that kill innocent people and mistaken targets that kill innocent people. Violate our privacy. Help kidnap peaceful, law abiding, productive members of our society. Add your name “To Congress: Support Sen. Bernie Sander's push for a National Data Center Moratorium” at https://act.ourrevolution.com/sign/support_data_center_mortatorium/
- **Tax Fairness.** Should our tax system favor the ultra-wealthy? Tell Congress to tax the rich and make life more affordable for working people and families. Read more and send letters from <https://actionnetwork.org/letters/tell-congress-to-tax-the-rich->

- **Wars or daycare?** Trump clearly spelled out his priorities. See “‘We’re fighting wars. ONE BOOK, ONE COAST: FRANK ABE ON THE LITERATURE OF JAPANESE AMERICAN INCARCERATION

Weds April 8, 7 pm, at Seattle Public Central Library, Level 1 – Auditorium, 1000 Fourth Ave., Seattle

The collective voice of Japanese Americans defined by a specific moment in time: the four years of World War II during which the US government expelled resident aliens and its own citizens from their homes and imprisoned 125,000 of them in American concentration camps, based solely upon the race they shared with a wartime enemy.

This anthology presents a new vision that recovers and reframes the literature produced by the people targeted by the actions of President Franklin D. Roosevelt and Congress to deny Americans of Japanese ancestry any individual hearings or other due process after the Japanese attack at Pearl Harbor. From nearly seventy selections of fiction, poetry, essays, memoirs, and letters emerges a shared story of the struggle to retain personal integrity in the face of increasing dehumanization – all anchored by the key government documents that incite the action.

ORGANIZER TRAINING 101

Sat & Sun April 11 & 12, all day, in Bellingham

IWW is hosting a two day Organizer Training 101. It 101 focuses on the skills to organize with your coworkers to flip workplace power dynamics, and to win demands around conditions and wages. You can do this without a formal union. It is focused on IWW's concept of 'solidarity unionism' and direct action tactics rather than legalistic NLRB processes. The training includes role plays about initiating conversations with coworkers, and how to take direct action such as a 'march on the boss' and how to navigate with, and around, labor law. IWWs' Organizer Training Committee provides two certified trainers to run the course. Enrollment is limited to 20, to increase active participation. It is two full days. Full details will be provided when registration is complete.

Film showing and fundraiser sponsored by Seattle DSA (Democratic Socialists of America). Seattle DSA is raising money for our national Venceremos Fund, via a screening of Soy Cuba, to pay for these urgently needed medical supplies. Come join us for the screening!

As we are all aware, the nearly 65-year-old U.S. embargo on Cuba has taken a desperate turn. The Trump administration has tightened the screws on Cuba, pressuring other countries to join the oil blockade on the island. CLASS: THE ARTIST MUST TAKE SIDES:
CULTURE & THE MOVEMENT PAST, PRESENT, & FUTURE

Tuesdays April 21-May 26, 3:30 Pacific time, NY or online

In times of war and crisis, when people are rising up, when people are taking a stand, when the stakes could not be higher— what is the responsibility of the artist?

History points us to the answer. Culture is the heartbeat of our movements. It brings people into collective action, sharpens our sense of our own power, and makes a better future feel possible. But the ruling elites also use culture to flood our screens with art that makes the current crisis feel natural, inevitable, and permanent. Artists on the side of freedom have to fight back. Nina Simone, Langston Hughes, June Jordan, Elizabeth Catlett, and Paul Robeson all took a side. The muralists of the Chicano Movement took a side. Hip-hop artists and those speaking out on stages, screens, studio walls, and the streets today take a side. Now, we as artists have to consider what that looks like in today's context.

In this course presented by Artists Against Apartheid & The People's Forum, we will study the role of the artist in the movement. We will discuss the responsibility of artists to struggle against the system that exploits, alienates, and pacifies and towards building a culture that inspires, drives, and sustains our collective struggle for liberation. Art alone cannot make a revolution, but it can transform the people who will.

FILM “EARTH’S GREATEST ENEMY”: U.S. MILITARY

Tues April 21, 1:45 9m and 7 pm, at Grand Cinema, 606 Fawcett Ave.,
downtown Tacoma

Earth’s Greatest Enemy is the second documentary from journalist Abby Martin that uncovers a shocking blind spot in the climate conversation: the U.S. military.

Exempt from international climate agreements and rarely scrutinized in mainstream reporting, the Pentagon is revealed here as the world’s single largest institutional polluter—spewing carbon, contaminating water, and scarring landscapes across the globe. Combining investigative journalism, striking visuals, and stories from impacted communities, the film challenges audiences to rethink the hidden costs of a global military empire and its planetary consequences. Provocative, urgent, and eye-opening, this is a documentary that will change how you see both the military and environmentalism.

PRAMILA JAYAPAL'S RESISTANCE LAB: VIRTUAL ORGANIZING
TRAINING

Sun May 3, 11 am – 1 pm Pacific time, Zoom

The Resistance Lab is a series of trainings that are developed specifically for this moment. In this first lab, we look at how non-violent movements around the world have responded to leaders who seize power in authoritarian ways and the most effective tools and tactics to utilize in these moments. We offer frameworks to understand this moment at home, and incorporate interactive conversation with others to help create community and build our resistance movement.

The Resistance Lab was developed with experts who have researched and studied democratic backsliding around the world as well as in the United States and the non-violent movements that have emerged to challenge those authoritarian leaders. We also draw from many toolkits for effective tactics and frameworks as well as from Pramila’s own background leading successful organizing movements for economic and social justice for two decades.

TOWNHALL WITH REP. JAYAPAL - NO DENYING CLIMATE CHANGE

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond

joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at <https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
