Hello to all Members and Friends of Western Washington Fellowship of Reconciliation (WWFOR)

Note: there is so much going on, you may be seeing only part of this message; if so, links to the later parts may not work. Check for a “view entire message” link at the bottom.

ISSUES AND ACTIONS: ***A note:*** online petitions and letter writing sites are quick and easy. They will also get you on email lists (which you are free to unsubscribe from). It may be more effective to write your own letters. [Contact info](#) for Congresspeople and the President is below.

STOP & PREVENT U.S. WARS EVERYWHERE

- WAR ON THE CUBAN PEOPLE with threats by Trump to add outright bombing to the deadly sanctions. Add your name to the petition “End the Illegal Blockade of Cuba!” at <https://civicshout.com/p/end-the-illegal-blockade-of-cuba-2> and

also contact Congresspeople and the President directly. See contact info [below](#).

- War on Palestinians: ISRAEL IMPRISONING PALESTINIAN PRISONERS WITHOUT CHARGES. The numbers are not known, about an estimate of almost 10,000 Palestinians are being held in Israeli prisons, perhaps half without any charges. Conditions are deplorable; we know that in part from social media posts by Israeli prison employees who have boasted about their cruelty. **U.S. citizen Sama Safi** is one of the prisoners without charges. The Department of State has an obligation to help U.S. citizens abroad but has not done so. See an article at <https://truthout.org/articles/102-rights-groups-demand-rubio-secure-release-of-us-citizen-imprisoned-in-israel/>. Take action at <https://actionnetwork.org/letters/free-palestinian-american-sama-safi-from-israeli-prison/>.
- THE OTHER 10,000 PRISONERS PLUS ALL THOSE UNDER OCCUPATION. We may have more leverage about freeing a U.S. citizen (see above) than the other unjustly imprisoned Palestinians but Israel is committing human rights violations by imprisoning and further violations by abusing the prisoners; plus Israel continues bombing in Gaza while unlawful Israeli settlers are killing peaceful residents in occupied West Bank. We – the U.S. – are complicit. We still need to stop US. Funding of genocide and other war crimes. One of the most important things we can do is to prevent the US from passing the NDAA with its clause to increase cooperation between the U.S. and Israel. Read more and sign petitions at <https://act.demandprogress.org/sign/israel-military-ndaa-gvir/> and https://act.ourrevolution.com/sign/tell_the_senate_strip_section_219_aoc_existential/
- WAR ON ECUADORAN FISHERMEN. Besides the many attacks on small boats in the Caribbean and eastern Pacific, killing over 200 people, the U.S. has attacked several fishing vessels near the

Galapagos Islands, killing, injuring, kidnapping, and torturing the crew members. The full stories are unclear, but about 20 survivors of U.S. attacks were released hundreds of miles from their homes. Read about these incidents “Rare Survivors of Pacific Boat Strikes Allege U.S. Forces Kidnapped and Tortured Them” at <https://www.dropsitenews.com/p/rare-survivors-of-pacific-boat-strikes> and “U.S.-Registered Drone Detected at Site of Suspected CIA Boat Strike” at <https://www.dropsitenews.com/p/drone-boat-strike-cia-ecuador-shield-ai>. OPPOSING ICE AND BORDER PATROL VIOLENCE AND DENIAL OF RIGHTS: **First they came for the immigrants.**

- *ICE CONTINUES TO KIDNAP PEACEFUL PEOPLE. Trump promised to deport murderers and rapists, the worst of the worst. Is a 5-year-old child named Liam (pictured at top of this email) in this category? Liam is currently in the notorious concentration camp in Dilley Texas. See “Casar Demands Shutdown of Texas Detention Center After ICE Abducts 5-Year-Old on Way to Soccer Match” at <https://www.commondreams.org/news/5-year-old-boy-detained-by-ice-in-texas>. But you shouldn’t have to be a cute little kid to get our attention. Join Amnesty International’s call to close Dilley and the rest of the cruel “detention centers” (prisons) at <https://act.amnestyusa.org/page/167629/action/1>.*
- *CRUEL AND UNUSUAL – SHOCK GLOVES. ICE has already shown its employees to be brutal, beating and shooting non-resisting civilians. They don’t need any additional weapons, and certainly not the new “shock gloves” that painfully incapacitate victims. Read more and write letters to “Tell State Leaders to Ban ICE’s*

Electric Shock Gloves and Investigate Excessive Force” at <https://actionnetwork.org/letters/ban-ices-electric-shock-gloves/>.

- *VINDICTIVE PROSECUTION. Can you believe it? The government is still going after Kilmar Ábrego García, the man they “mistakenly” sent to the Salvadoran CECOT prison for torture? The government is tring so hard to get him for something, anything. Trump seems to be angry that he lost a case. Saym enough! at <https://civicshout.com/p/end-the-doj-s-vindictive-case-against-kilmar-abrego-garcia/>,*
- *Back to [top](#)*

CONSTITUTIONAL RIGHTS & DOMESTIC AFFAIRS

- *ONE PERSON, ONE VOTE? That’s the way it’s supposed to be, but it doesn’t work when one corporation or lobby group can pour unlimited money into elections. The court decision known as Citizens United must be overturned if we want something closer to democracy. Read more and sign a petition at <https://actionnetwork.org/forms/take-action-end-citizens-united/>.*
- *FREE AND FAIR ELECTIONS? That’s not going to happen if there are troops intimidating people at the polling places. Write letters to say “No Troops at the Polls” starting at <https://actionnetwork.org/letters/no-troops-at-the-polls-2/>.*
- *FREE AND FAIR ELECTIONS? Only if all the valid ballots are counted. Donald Trump wants to get lists of voters from states so he and his cronies can approve some and not other ballots. Say NO! Regulating voting is up to the states and Donald Trump doesn’t get to disqualify anybody. “Tell USPS: Don’t Suppress Votes. Deliver Every Ballot” at <https://civicshout.com/p/tell-usps-don-t-suppress-votes-deliver-every-ballot>*
- *CRUEL & UNUSUAL. PROTEST DEATH PENALTY AND EXECUTIONS. Six executions are scheduled in September. Go to*

<https://deathpenaltyaction.org/take-action/execution-petitions/> for more information and petitions to oppose each execution.

- NAME AN AIRCRAFT CARRIER AFTER TRUMP???? “Don't Let the Navy Swap a Black WWII Hero's Name for Trump” Sign a petition at <https://civicshout.com/p/don-t-let-the-navy-swap-a-black-wwii-hero-s-name-for-trump>. [Mixed feelings about this issue. Trump is using US aircraft carriers to commit war crimes. Maybe it should be named after him, not to honor him but to shame him? You decide!]

FIGHT FOR SAFETY FOR MIGRANTS AT COUNTY COUNCIL MEETING

Tues Aug 25, 12:45 pm, meet in front of King County Council Building, 516 3rd Avenue, prior to attending Council meeting, 1:30 pm, Room 1001 (10th Floor), in downtown Seattle

Fight for migrants with La Resistencia (LR). Meet in front of the building for a huddle and to get some helpful talking points.

Background: After years of pressure by LR, King County hired a new position to observe ICE flights. However, this position is not exclusively observing these flights and won't be present in-person for the entirety of them. ICE has been documented refueling planes while detainees are on it, an incredibly dangerous practice, and the county itself states safety concerns like this can only be verified in-person. The county also "encourages" its airport contractors to follow the rules rather than enforcing violations of them. Come tell the council this is all outrageously unacceptable!

PROTECT ELECTIONS TRAINING

Aug 26, 28, or 30; see times below, online

Common Defense presents 3 training sessions. As we head into the 2026 midterms, threats to free and fair elections are real: from voter intimidation at the polls to disinformation during the count to pressure campaigns aimed at delaying or blocking certification. This training will

equip you to join a rapid-response team of volunteers prepared to act wherever and whenever they're needed most.

In this session, you'll get:

- An overview of the election protection program and our mission to build a trained, rapid-deployment team ready to respond to election threats nationwide
- A breakdown of the threat landscape across three critical phases: the lead-up to Election Day, the vote count, and certification
- A look at who's driving these threats and the coalition of allies working to protect the vote alongside us
- An introduction to our approach: how a visible, trusted community presence can help de-escalate tension and reinforce public trust during moments of crisis
- A walk-through of the tactics we'll use from poll watching and election protection roles, to rapid response actions, to public storytelling and content
- No prior experience required, just a willingness to learn and show up. This is the first step toward joining a coordinated, trained team ready to defend democracy when it counts.

WOMEN'S EQUALITY DAY

Aug 26, all day, everywhere

This day marks the 1920 adoption of the 19th Amendment to the Constitution giving women the right to vote. Of course, in much of the country, that right only applied to white women. That part of inequality was a much longer struggle. Info

https://en.wikipedia.org/wiki/Women%27s_Equality_Day

Do women in the U.S. have equality? Despite a long struggle, the U.S. has not passed the Equal Rights Amendment, see

https://en.wikipedia.org/wiki/Equal_Rights_Amendment.

And these are just some of the legal aspects of equality. Is women's work awarded equally to men's work? If you are in a mixed gender household, is housework shared in an equitable way?

FILM “DEATH & TAXES”

Sat Sept 19, 7 pm, at Rainier Beach Community Club, 6038 So. Pilgrim St., Seattle, WA

“Death & Taxes” is a feature documentary about family, wealth, inequality and the American Dream, viewed through the lens of the estate tax and the very personal story of a father and son at odds over what kind of inheritance we want to leave our kids and our country. Filmmaker Justin Schein’s father, Harvey Schein, liked to say he lived the so-called “American Dream” – rising from poverty in Depression-era Brooklyn to great financial success as one of America’s top CEOs of the 1970s. But Harvey Schein, who ran the American arm of Sony for many years, also spent the last 20 years of his life fixated on trying to keep his hard-earned wealth from the taxman—an obsession that almost broke the Schein family apart. More broadly, inherited wealth and the tax system that shields it have badly distorted American democracy, perpetuating racial and economic inequity in the country. Filmed over more than 20 years and weaving intimate family footage with interviews with prominent experts from all sides of the debate, “Death & Taxes” tells this crucial story through the tale of one American family.

Presented by Meaningful Movies Rainier Beach and Rainier Beach Community Club.

PRAMILA JAYAPAL'S RESISTANCE LAB: VIRTUAL ORGANIZING TRAINING

Sun Sept 27, 11 am- 1 pm Pacific time, Zoom

The Resistance Lab is a series of trainings that are developed specifically for this moment. We look at how non-violent movements around the world have responded to leaders who seize power in authoritarian ways and the most effective tools and tactics to utilize in these moments. We offer frameworks to understand this moment at home, and incorporate interactive conversation with others to help create community and build our resistance movement.

Our goals are to help people understand how democracies fall and the most effective resistance movements that have challenged authoritarians and dictators; to turn anger, fear and frustration into action in the short-term while also preparing for a coordinated resistance movement for the longer term; and to build community across the country that can help grow our movement. At the end of the day, we want to get people strike-ready and street-ready and make sure we protect our people, our freedoms and our democracy.

BOOK CLUB: THE TRUE PRICE OF WAR

Wednesdays Oct 7-28, 6 am Pacific time, Zoom

In October 2026, World BEYOND War will be holding a weekly discussion each of the book *The True Price of War* with author J. M. Badiyani. Not the cost counted in budgets, headlines, or maps—but the cost paid in homes, in classrooms, in hospital rooms, and in the quiet lives of people who never chose to be part of history. *The True Price of War* is a short, powerful, and deeply human book of reflective stories. Each chapter focuses on an ordinary person—a child, a mother, a doctor, a refugee, a teacher, a survivor—and a single moment in which the meaning of conflict becomes personal and irreversible.

When you register for the club, we will mail you a paperback copy of the book or get you a kindle version (your choice). We'll let you know which parts of the book will be discussed each week along with the Zoom details to access the discussions.

THE DEPORTATIONS VIGILS TUKWILA

Fridays 9 – 10:30 am, at Department of Homeland Security (DHS), 12500 Tukwila International Blvd, Tukwila, WA, 98168

Join Southend Indivisible and our partners on the sidewalk outside of ICE HQ in Tukwila to demand Trump's Gestapo stop the kidnappings of our neighbors, separation of families, and terrorizing of our community.

A core tenet of Southend Indivisible is peaceful, non-violent resistance. Peaceful does not mean quiet. We will be loud as hell to hold these traitors to the Constitution accountable for the kidnapping and disappearing of our people. Bring your eye-popping, powerful signs. Not required though - we will have extra signs and big bold markers in multiple colors. If you happen to have a bullhorn, bring that too to cause some extra good trouble.

Join us to peacefully and loudly tell Trump's goons hands off our community!

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at <https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
