STOP & PREVENT U.S. WARS EVERYWHERE

- IRAN WAR.

Feb 27, 2026, U.S. and Iran were negotiating, albeit indirectly, and the Strait of Hormuz was open to ships.

Feb 28, 2026, U.S. and Israel attacked Iran. The U.S. sent

deadly missiles to a school. Students, teachers, and parents were killed. Thousands of Iranians have been killed. About 20 U.S. military personnel have been killed. The Strait of Hormuz hasn't been completely open since the day the war started. In the U.S., gasoline price increases are anything from a nuisance to a true hardship; around poorer countries, they can be deadly.

Watch a video about the school bombed on Feb 28 at

- SUPPORT MASSIE'S CALL TO IMPEACH HEGSETH. Read Republican Massie's articles of impeachment at <https://massie.house.gov/news/documentsingle.aspx?DocumentID=395853>, Not only is the war on Iran illegal, but so are the killings of sailors in the Caribbean and Pacific, the kidnapping of Venezuelan leader, and the war in Yemen. Rep Massie would have forced a vote on the impeachment, but the cowardly Speaker of the House Mike Johnson closed down the House of Representatives for the next 7 weeks, until after the midterm election. See also the Congressional record of Rep Massie's effort at <https://www.congress.gov/congressional-record/volume-172/issue-145/house-section/article/H5637-3>
- OCCUPIED PALESTINIAN WEST BANK. Tell the Senate to Pass Sen. Chris Van Hollen's Resolution on **Israeli Settler Violence in the Occupied West Bank!** The violence has been increasing, yet the U.S. continues to support Israel and send weapons. See more info and write letters from <https://actionnetwork.org/letters/tell-the-senate-to-pass-sen-chris-van-hollens-resolution-on-israeli-settler-violence-in-the-occupied-west-bank/>. Or even better, write your own letter. See [contact info for Senators](#) below. If you are in Washington State, thank Sen. Murray for her co-sponsorship!

- **SOLIDARITY WITH PALESTINIANS IN WEST BANK.** Palestinian and Jewish citizens of Israel in the Standing Together organization participate in the Solidarity Guard. “The Solidarity Guard is our protective presence force and is active 24/7 in Palestinian communities under threat in the West Bank, as well as in East Jerusalem and inside Israel. “ They work along with Rabbis for Human Rights and Bnei Avraham, “a Jewish religious action group working alongside Palestinian activists with the goal of enabling Palestinian communities to remain on their land and preventing harm to the people of the Holy Land.” See <https://bneiavraham.com/> . Read more and add your name to a call to Stop Settler Terror at <https://po.loshotkim.com/Atzoma?slug=notosettlerterror>
- **WAR CRIMES IN GAZA EXPOSED IN FILM.** Now Israel is retaliating. The Israeli government is threatening to strip NAZA filmmakers’ citizenship. Write a letter of support to directors Yuval Abraham and Rachel Szor, who investigated and exposed Israeli war crimes in Gaza. Write a letter at <https://www.refuser.org/support-naza>

- *Demand Congress STOP ICE FROM LOCKING CHILDREN in Detention. Tell lawmakers, we need immediate, unannounced inspections of ICE detention facilities housing children and families. And they must use every tool at their disposal to end child detention. Read more and write letters from <https://actionnetwork.org/letters/stop-locking-children-in-detention>.*

- *MEANWHILE HATE MARCHES ON AT THE “WAR DEPARTMENT”, where Pete Hegseth is transforming the military saying, “No fanny, no fatties, no trannies, no beardos, no weirdos, no wimps, no radicals” and “Diversity is not our strength. Unity is our strength” as he fires women and people of color. These attitudes are just part of the reasons to get rid of Secretary Hegseth. Read more and write letters to your Rep calling for Hegseth’s impeachment at <https://actionnetwork.org/letters/hegseth-must-go>. Or write your own letter, see [contact info for Congress](#) below. [Yes, this is the 2nd place in this email that the Hegseth impeachment is mentioned! So many good reasons.]*

- *Tell Hegseth: PAY TRANS VETERANS WHAT THEY'RE OWED.* Nearly 1,000 transgender service members have left the military since Trump's transgender military ban. Now, some have waited months to receive the full separation pay they are owed. Read more and sign a petition at <https://civicshout.com/p/tell-hegseth-pay-trans-veterans-what-they-re-owed>

FILM ABOUT LIFE, DEATH, AND WHAT REALLY MATTERS

Tues Oct 6, 6-8:15 pm Pacific time, online

Meaningful Movies Ballard presents "Andre is an Idiot," a funny, candid, and unexpectedly moving documentary about life, death, and what really matters.

After ignoring his doctor’s advice to get a colonoscopy, André is diagnosed with Stage IV colorectal cancer. Rather than shy away from what comes next, he turns the camera on himself, documenting his experience with humor, honesty, and a refreshing lack of sentimentality. The result is a deeply personal film about facing

mortality while continuing to find absurdity, connection, and joy in everyday life.

Following the film, we'll be joined for a conversation with Anita Isler, Executive Director of Colon Cancer Stars and a Stage IV colon cancer survivor. Colon Cancer Stars' mission is to save lives by educating people about the importance of colorectal cancer screening.

Free but donations to cover expenses welcome, Registration required. Registration <https://www.zeffy.com/en-US/ticketing/meaningful-movies-ballard-presents-andre-is-an-idiot>

ENVIRONMENTAL HEALTH IN CONFLICT: AGRICULTURE, FOOD SYSTEMS, AND LESSONS LEARNED IN THE MIDDLE EAST

Tues Oct 6, , Zoom

Physicians for Social Responsibility (PSR) and the APHA Peace Caucus invite you to join us for the third webinar in our Beyond the Battlefields series examining the public health challenges arising from armed conflict and war in the Middle East. This webinar will explore the environmental health consequences of conflict through perspectives on agriculture, food systems, environmental exposures, and lessons learned from past conflicts, notably the Gulf War. Speakers will draw on research in Palestine and Kuwait, as well as share their experience with the Solidarity Guard in the West Bank. These diverse perspectives will help us examine how conflict affects land and agricultural livelihoods, food security, environmental conditions, and human health, as well as

what previous conflicts can teach us about longer-term health consequences.

THE STATE OF ASYLUM AND PATHWAYS FORWARD FOR THOSE SEEKING SAFETY

Tues Oct 6, 1 pm Pacific time, online

HIAS stands for a world in which refugees find welcome, safety, and opportunity. This year, the temporary shelter of the sukkah symbolizes the 117 million displaced people around the world whose search for safe and permanent shelter is not symbolic. It is an urgent daily reality. With legal pathways all but shut down and immigration policies constantly shifting, asylum seekers are encountering increased obstacles, uncertainty, and vulnerability.

One month before the midterm elections, join people across the country who are committed to safety and dignity for an update on the realities facing communities pursuing asylum and the meaningful actions you can take to support those seeking welcome and refuge.

Moderated by Noah Gottschalk, Chief External Relations Officer, HIAS, the discussion will feature:

- Vanessa Dojaquez-Torres, Director, Policy & Advocacy, HIAS
- Andrea Sáenz, Senior Counsel, Co-Counsel NYC, and Managing Director, National Immigration Habeas Institute

FALLING TOWERS AND ENDLESS WAR:

25 YEARS OF THE WAR ON TERROR - WEBINAR

Tues Oct 6, 4 pm Pacific time, online

Historians for Peace & Democracy presents a webinar. The “War on Terror,” launched in response to the 9/11 attacks, has left a trail of destruction: failed wars in Afghanistan and Iraq; millions of dead, wounded, and displaced; regional instability; a global torture program; seething Islamophobia; and grave harm to both human rights and civil liberties — all driven by a politics of fear and the vast expansion of executive power. And yet, there has been in the United States nothing close to a comprehensive political, legal, and moral reckoning with the War on Terror. Instead, many of its worst logics and policies persist, creating new victims and harm to democracy and the rule of law.

This webinar takes the 25th anniversary of 9/11 as occasion to reflect on the legacies of 9/11 and the “War on Terror,” historic resistance to U.S. militarism, and how we can move beyond a “War on Terror” paradigm.

BOOK CLUB: THE TRUE PRICE OF WAR

Wednesdays Oct 7-28, 6 am Pacific time, Zoom

In October 2026, World BEYOND War will be holding a weekly discussion each of the book The True Price of War with author J. M.

Badiyani. Not the cost counted in budgets, headlines, or maps—but the cost paid in homes, in classrooms, in hospital rooms, and in the quiet lives of people who never chose to be part of history. *The True Price of War* is a short, powerful, and deeply human book of reflective stories. Each chapter focuses on an ordinary person—a child, a mother, a doctor, a refugee, a teacher, a survivor—and a single moment in which the meaning of conflict becomes personal and irreversible.

When you register for the club, we will mail you a paperback copy of the book or get you a kindle version (your choice). We'll let you know which parts of the book will be discussed each week along with the Zoom details to access the discussions.

Registration from \$75, at <https://worldbeyondwar.org/book-club-the-true-price-of-war/>

WHERE DO WE LOCATE THE ROOTS OF NONVIOLENCE IN OUR FAITH AND ORGANIZING TRADITIONS?

Thurs Oct 8, **in-person** 6:30-8:30 pm Eastcoast time, at Stony Point Center Art Space, 17 Cricketown Road, 10980 Stony Point , NY OR **Zoom** starting 4 pm Pacific time,

Join the Fellowship of Reconciliation-USA and the FOR Metro NY/NJ Chapter for a special hybrid program. Where do we locate the roots of nonviolence in our faith and organizing traditions? How do we come together to use these spiritual practices for deep looking and listening, courageous action and healing—to end wars, seek justice, and create a more peaceful future? Collectively, how might we heal our wounded world?

To explore these questions, the Fellowship of Reconciliation warmly welcomes you to a gathering with Mohsen Mahdawi: a Palestinian Buddhist peace activist, graduate student at Columbia University, and FOR-USA's 2026-2027 Walter and June Wink Fellow.

Mohsen will explore how the work for Palestinian freedom and immigrant justice interconnect with our collective aspiration for peace. We will also hear the latest on Mohsen's interfaith organizing at FOR and ways that spiritual communities, faith leaders, and people of conscience can get involved. FOR-USA's Director of Operations and Community Engagement, Susan Smith, will then moderate a panel with Mohsen in conversation with FOR's Interim Co-Executive Director Dr. Linda Alvarado-Arce and Nick Mottern from the Global Solidarity for Peace in Palestine Network and Veterans for Peace. This will also be a special opportunity to meet new FOR Metro NY/NJ Chapter co-chair Eric Shōkei Manigian and reconnect with long-time co-chair Vince Artis.

Suggested \$15 donation for those joining in person. Light Palestinian fare will be served

BOOK READINGS "PALESTINE 1942," – TWO EVENTS

Mon Oct 12, 6-7 pm, at Orca Books Cooperative, 315 5th Ave SE,
Olympia AND

Tues Oct 13, noon, at Evergreen State College, Recital Hall, Com 107,
2700 Evergreen Pkwy NW, Olympia, WA 98505

[description by the author] Palestine 1492 is a report back of what I see
from 500 years of the struggle for life in words, maps, and images in the
seven cardinal directions and in the spiral that is time.

In Maya geography, there is east, west, south, and north, and there is
also earth and sky. In the middle there is you, a meeting place between
the physical, spiritual, emotional, and mental that together make up
the social, a meeting place between earth and sky. [...]

Throughout, I share conclusions Palestinians, Zapatistas, Panthers, and
jaguars have taught me along this journey: that this world itself is
unethical, and that changing it is difficult, even impossible. If after
reading you also believe this to be true, may we dismantle this world
together and help build a new one from below and in common,
together and side by side.

NATIONAL SINGLE PAYER TOWN HALL - DECLARATION OF INDEPENDENCE FROM THE MEDICAL-INDUSTRIAL COMPLEX

Weds Oct 14, 5 pm Pacific time, Zoom

On this 250th anniversary of the Declaration of Independence, it is time we declare our independence from the U.S. medical-industrial complex: insurance companies and middlemen sucking public dollars, pharmaceutical companies holding us hostage, private equity and venture capital owning the delivery of care, profit-generating “nonprofit” health and hospital systems, compromised academic centers and endowed nonprofit organizations, and all politicians who accept political contributions to work for the industry instead of for the people.

Join NSP, elected officials, and candidates in a National Town Hall, as we declare our independence from the medical-industrial complex and demand the passage of improved H.R. 3069 (119th Congress), a comprehensive, universal, national Medicare for All, free from profit.

ROUNDTABLE: "BOMBS DON'T BUILD THEMSELVES: WHO'S ARMING
ISRAEL'S WARS?"

Sun Oct 18, noon Pacific time, Zoom plus videos to watch at your own
time before the event

Watch a film at your convenience and then join a Voices from the Holy
Land online discussion. Since October 7, 2023, Israel has dropped
explosive power equivalent to seven times the Hiroshima bomb on
Gaza. Where does this lethal arsenal originate, and which nations and
corporations fuel this crisis?

This Roundtable examines the global arms trade network supplying
weapons used against civilians, tracing supply chains, transit routes,
and complicit entities. Panelists will unpack international legal
frameworks meant to prevent these transfers—including the Arms

Trade Treaty and humanitarian law—while assessing enforcement failures. Focusing on the arms pipeline to Israel, the discussion explores existing accountability mechanisms and how advocates can strengthen them.

Join us for a discussion of these supply chain issues with:

- Josh Paul - Co-founder of A New Policy, former Director of Bureau of Political-Military Affairs at U.S. Dept. of State
- Francesco Staccioli - Unione Sindicale di Base
- Our moderator will be Hine-Wai Loose: Director, Control Arms, Geneva Switzerland

NOTE: After you register, you will get an Approved response plus an email From: Zoom with the word "Confirmation" with the link and password to watch the film in advance of the Salon event.

BOOK TALK “PROTEST: RESPECT IT, DEFEND IT, USE IT”

Weds Oct 21, 4 pm Pacific time, Zoom

Join us for an eye-opening and inspiring virtual book talk with The Story of Stuff Project’s founder and Board Chair, Annie Leonard and our long-serving Trustee, André Carothers, the authors of the timely new book. What would the world look like if we couldn’t express outrage against the systems we disagree with or support the changes we seek?

Protest offers a powerful look at the role peaceful activism has played in advancing the public good—and shines a light on the urgent need to protect this democratic right. This is not a how-to guide. Rather, it is a celebration of what collective action can achieve, an invitation to be inspired, and a reminder that each of us has the capacity to make a difference.

Featuring 40+ iconic campaigns from around the world, the book combines photos, artifacts, and memorable quotes to create a vivid testament to the power of public dissent. Guest essays from Jane Fonda, Tennessee Representative Justin Pearson, Dolores Huerta, Nemonte Nenquimo, and others reveal how protest shaped their own commitment to driving change. Through storytelling and first-hand reflection, readers are invited to witness, reflect, and engage in peaceful activism—right here, right now.

REMEMBERING CENTRAL AMERICAN MARTYRS

Sun Nov 15, noon Pacific time, Zoom

November 16th marks 37 years since 6 Jesuit priests and two women were martyred at the University of Central America (UCA) in San Salvador by U.S.-backed forces, a history that gave rise to the School of the Americas Watch (SOAW) movement and continues to shape struggles across Central America today.

From Mexico, to El Salvador, to Honduras, communities continue to confront militarization, displacement, criminalization, and the ongoing fight for land, justice, and self-determination. This year, we'll gather to remember the martyrs - known and unknown, hear from movements on the frontlines, and strengthen our commitment to international solidarity from the belly of the beast.

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at

<https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
