Thanks to the Seattle/Cuba Friendship Committee for this photo of the Oct 23, 2026, Federal Building Friday rally. We agree! No War on Cuba, Iran, Yemen, or anywhere!

Hello to all Members and Friends of Western Washington Fellowship of Reconciliation (WWFOR)

Note: there is so much going on, you may be seeing only part of this message; if so, links to the later parts may not work. Check for a "view entire message" link at the bottom.

We are proud of all our Mike Yarrow Peace Fellows. Today we are happy to share that one of the Fellows, Vy Le, has gained recognition for her work! At the age of 15, Vy was the founder of WhereWear, an organization that collects and distributes clothing to women's shelters. [see <https://wherewear.org/>] Vy has done a fantastic job including organizing large work parties, fundraising, and reporting on progress. Vy's vision and leadership have been honored by naming her as one of 2026 L'Oréal Paris Women of Worth. This includes a \$25,000 grant to continue the work. [see <https://www.lorealparisusa.com/women-of-worth>]

Congratulations, Vy!

ISSUES AND ACTIONS: *A note:* online petitions and letter writing sites are quick and easy. They will also get you on email lists (which you are free to unsubscribe from). It may be more effective to write your own letters. [Contact info](#) for Congresspeople and the President is below.

STOP & PREVENT U.S. WARS EVERYWHERE

- **NO MORE WARS.** Trump and cronies are talking about resuming largescale war on Iran and directly waging war on Yemen. Say no! Sign a petition at <https://act.winwithoutwar.org/act/saudi-yemen-war>
- **WEST BANK OLIVE HARVEST.** Israeli settlers and the Israeli army (IDF) are threatening, harassing, beating, and even killing Palestinians and the people who try to protect them with nonviolent presence. A recent case was the Oct. 21 detainment by the IDF of 80 volunteers including 12 rabbis affiliated with T'ruah, the rabbinic call for human rights (a U.S. organization); the Democratic nominee for Congress in New York's 10th District, Brad Lander; along with Palestinian farmers harvesting olives on their own land. See more at <https://truah.org/press/ceo-rabbi-jill-jacobs-and-other-rabbis-detained-by-israeli-army-during-palestinian-olive-harvest/>. Then Tell Secretary Rubio to Demand the IDF Protect People Participating in the Olive Harvest and the Release of Anyone Still Detained Now at <https://actionnetwork.org/letters/protect-palastinian-families-in-the-west-bank/>.
- **SOLIDARITY WITH WEST BANK OLIVE HARVESTERS.** Settlers are attacking Palestinian farmers and uprooting the olive trees that provide subsistence. Read about the hundreds of nonviolent observers who gathered to protect the harvest, including activists from Israel, U.S., Canada, and more at <https://protecttheharvest.net/>. Also see [Oct 26 event](#).
- **WEST BANK SHEPHERDS FIELD.** Shepherds Field is the site where, according to the Gospel of Luke, the Angel Gabriel appeared to announce the birth of Jesus. Nearby Beit Sahour is a community of

about 11,000 Christians whose safety and vibrant life is threatened by encroaching Israeli settlers. See a video about the town at <https://youtu.be/Y3q0Lo-mXME> and then add your name to a petition at <https://justpeacecoalition.com/>. [Thanks to Mazin Qumsiyeh for these links]

- **WEST BANK: OUTRAGEOUS ISRAELI ACTION IN HEBRON.** Two Palestinians shot at Israeli soldiers, killing 2 and injuring several more. These shooters were themselves shot and killed. What more vengeance was called for? Israel has now expelled 411 families from their homes in Hebron, and is in the process of bulldozing homes and shops. Thousands of people, uninvolved in the shootings, are now homeless. For updates on this situation, sign up for the Friends of Hebron email at <https://www.hebronfriends.org/sign-up>,
- **GAZA, WEST BANK, ISRAEL, SOUTHERN LEBANON, AND MORE: BLOCK THE BOMBS.** U.S. supplied bulldozers are razing Palestinian homes. U.S. supplied bullets are killing unarmed Palestinian civilians and unarmed solidarity activists. U.S. supplied bombs are destroying homes, hospitals, and schools, and are even used to bomb people living in tents. A first step we can take is supporting H.R. 3565, the Block the Bombs act. This legislation would (at least in theory) make it harder for the President to send weapons to Israel, but even if passed, it only applies to certain weapons and there are loopholes. (Like if Israel says they won't use the weapons to violate human rights.) Still, it's an important bill that should be passed. Go to <https://www.blockthebombs.org/> to write letters, or write directly to your Congresspeople, see [contact info below](#).
- **GAZA: EXTENDED RUN FILM NAZA** through Oct 28 in Shoreline, a film documenting some of Israel's war crimes in the war on Gaza; see [event info below](#). The film is also playing one time in [Langley Nov 7](#), and we are inquiring about future runs in Seattle and Olympia.

Mon Oct 26, 4-6 pm Pacific time, online

Election Day & Beyond : It's time to prepare ourselves and our communities to protect the voting process and results of the 2026 elections.

We'll work through realistic scenarios and explore how we can respond when voting and election results are threatened. Through scenario-based training, we'll strengthen our creativity, preparedness, and ability to take action together.

What will we explore?

- Realistic election scenarios and how to respond
- The 6 Steps of the People's Election Playbook
- Ways to support and protect voters and the voting process
- Strategies for collective action and economic noncooperation
- How we can prepare our communities to respond swiftly and nonviolently

Come ready to learn, imagine, practice, and prepare together.

Trainers Janine Guillet, Bekky Baker and Rivera Sun are all part of Freedom Trainers, a nationwide network of nonviolence trainers offering shared curriculums on responding to the authoritarian crisis in the United States. The scenarios come from the 18 Election Defense Scenarios put together by Freedom Trainers. See

THE U.S. ASSAULT ON THE INTERNATIONAL CRIMINAL COURT

Tues Oct 27, 9-11:30 am Pacific time, online

Join the People's Academy of International Law for this seminar. The U.S. has long sought to undermine the ICC, by imposing sanctions on 9 of the 18 ICC judges, ICC prosecutors, a UN Special Rapporteur, and 3 leading Palestinian human rights groups. On October 9, in a dangerous escalation of its effort to cripple the court, the Trump administration sanctioned the entire ICC. The sanctions would prevent the court from using US dollars and US-based financial services and technology companies. Faculty in this seminar will explain the political pressure the U.S. has inflicted on the ICC. They will analyze lawsuits challenging Trump's executive order (one of which just resulted in the issuance of a temporary restraining order), the firing of ICC Chief Prosecutor Karim

Khan, and the upcoming December elections of ICC judges and a new prosecutor, which are likely to be influenced or impacted by the sanctions and politicization.

Faculty:

- Dr. Cuno Tarfusser: Judge of the ICC (2009-2019), ICC Chief Prosecutor (1984 to 2009)
- Caroline Buisman: Senior Human Rights Office at UN, former counsel before the ICC
- Myriam Bouazdi: International human rights lawyer, former UN investigator who led complex investigations for international tribunals
- Moderated by Dean Marjorie Cohn.

THE DETENTION LOTTERY DRAMA AN IMMERSIVE THEATER EXPERIENCE

Sun Nov 1, 3-5 pm, at Renton Civic Theater, 507 S 3rd St., Renton

The Detention Lottery is a play that immerses the viewer in an immigration detention center courtroom, as several audience members

are detained upon entry, assigned identities as immigrants, and defend themselves against deportation as best they can in court, without preparation. The play opens up the covert, capricious, and byzantine immigration enforcement system to public scrutiny. Written by Margaret O'Donnell and directed by Amy Youngblood.

By joining this event, you help Southend Indivisible build informed, organized resistance to detention and deportation. Together, we sharpen our advocacy skills, deepen solidarity with targeted neighbors, and prepare for direct action in South King County. Doors open at 2:30pm. FILM "WISDOM OF HAPPINESS" FREE COMMUNITY SCREENING EVENT

Sun Nov 8, 4-6:30 pm Pacific time, Zoom

For 23 years, Meaningful Movies Project has brought communities together through free screenings and meaningful conversation. Join us for Wisdom of Happiness as we kick off our online auction and help ensure this legacy continues. Every donation from this screening goes directly back to MMP, so we can keep providing free community screenings like this one.

Wisdom of Happiness shows us a timeless truth: happiness is still possible, even in the midst of chaos and uncertainty. This powerful message of hope is delivered as a personal audience with one of the greatest living thinkers, Nobel Peace Prize winner Tenzin Gyatso, known to billions around the world as the Dalai Lama. Speaking as a member of our single global community, he shares practical wisdom for finding peace, compassion, and hope in the midst of chaos. With disarming clarity and deep humanity, he invites us to imagine — and help create — a world where compassion is activated as our strongest force for change, and happiness is within reach for everyone.

Guided Meditation & Post-Film Discussion: Join us for a live guided meditation followed by a post-film discussion immediately following the screening. Our High school intern from the Meaningful Movies Project will help to moderate a conversation about the film's themes with some of our MMP Volunteers & Board Members as they share their insights and wisdom with us in how they cultivate peace, compassion, and hope from within.

PLAY ABOUT GAZA BY A GAZAN PLAYWRIGHT

Nov 12-21, Thursdays through Saturdays, 7:30 pm, at Cherry Street Village, 720 25th Ave, Seattle WA 98122

Gaza: The Silence Shouts, is a brilliant new play that delves into the hearts and minds of people in Gaza, each forging their own way through genocide. By Gazan playwright Khaled Alostath, with additional scenes by writers with families still in Gaza. Woven from poetry, family conversations, and the ordinary language of people living through genocide, the play holds grief next to desire, wry humor, and unfinished

domestic life. A key survives its door. A needle stands in a piece of embroidery. Above the houses, drones watch; beyond Gaza, people watch, too. Throughout the play, grief persists, yet Gaza's voices always rise again.

Directed by Hanna Eady and arranged by Edward Mast, the play also includes contributions from two other writers from Gaza who have chosen to remain anonymous.

REMEMBERING CENTRAL AMERICAN MARTYRS

Sun Nov 15, noon Pacific time, Zoom

November 16th marks 37 years since 6 Jesuit priests and two women were martyred at the University of Central America (UCA) in San Salvador by U.S.-backed forces, a history that gave rise to the School of the Americas Watch (SOAW) movement and continues to shape struggles across Central America today.

From Mexico, to El Salvador, to Honduras, communities continue to confront militarization, displacement, criminalization, and the ongoing fight for land, justice, and self-determination. This year, we'll gather to remember the martyrs - known and unknown, hear from movements

on the frontlines, and strengthen our commitment to international solidarity from the belly of the beast.

TELL DHS WE STAND WITH OUR NEIGHBORS

Thursdays 3:30 – 4:30 pm, at Department of Homeland Security, 12500 Tukwila International Blvd, Tukwila, WA 98168

Join a group of fired up but peaceful freedom fighters to greet the agents and staff pulling out of the DHS parking lot with signage, presence, and voices. These purveyors of so much suffering in our community will be wrapping up their day of separating families, forcing school lock downs, deporting women and children to dangerous countries they've never been, and terrorizing communities of color.

We will be doing so lawfully and peacefully (but not quietly) on the public sidewalk outside of the Department of Homeland Security in Tukwila. Hosted by Southend Indivisible

THE DEPORTATIONS VIGILS TUKWILA

Fridays 9 – 10:30 am, at Department of Homeland Security (DHS), 12500 Tukwila International Blvd, Tukwila, WA, 98168

Join Southend Indivisible and our partners on the sidewalk outside of ICE HQ in Tukwila to demand Trump's Gestapo stop the kidnappings of our neighbors, separation of families, and terrorizing of our community.

traitors to the Constitution accountable for the kidnapping and disappearing of our people. Bring your eye-popping, powerful signs. Not required though - we will have extra signs and big bold markers in multiple colors. If you happen to have a bullhorn, bring that too to cause some extra good trouble.

Join us to peacefully and loudly tell Trump's goons hands off our community!

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups <https://meaningfulmovies.org/events/locations/>

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See <https://meaningfulmovies.org/events/> for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at

<https://meaningfulmovies.org/donate/> or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
