Hello to all Members and Friends of Western Washington Fellowship of Reconciliation (WWFOR)

Note: there is so much going on, you may be seeing only part of this message; if so, links to the later parts may not work. Check for a "view entire message" link at the bottom.

Remembering and mourning activists we admire
***Dolores Huerta** died Oct 28, 2026. She is best known for her courageous organizing and leadership of the United Farm Workers union. She was an advocate for better wages for other low paid workers as well, and stood up against discrimination including speaking out for LGBTQ+ rights. For a glimpse of her wider interests, see the Seattle Times article, "Dolores Huerta's influence went far beyond the fields" at https://www.seattletimes.com/opinion/dolores-huerta-was-a-giant-in-the-farm-labor-movement-thats-only-part-of-her-identity/.*

Shirley Shimada *died Oct. 19, 2026. She was an ardent supporter for a world without war and nuclear weapons. She was a long time President of From Hiroshima to Hope, the organizer of Seattle's annual Hiroshima Day commemoration. As Japanese Americans subject to incarceration during World War II, her family moved inland and lost their home. See an obituary at* https://www.dignitymemorial.com/obituaries/seattle-wa/shirley-shimada-13083990

K.L. Shannon *was an organizer for justice, whether protesting local, national, or international issues, and often trained and organized peacekeepers for large events. Year after year, she was a key planner of Seattle's MLK annual rally and march. K.L. died Sept. 9, 2026. See a tribute at* https://www.seattletimes.com/seattle-news/seattle-social-justice-organizer-kl-shannon-dies-at-59/*. Geov Parrish *died Sept. 29, 2026. He was a prolific writer and wrote for The Stranger and The Seattle Weekly, as well as for the independent and irreverent Eat the State which he co-founded. Many people appreciated Geov's election recommendations which were amusing as well as informative. He called himself an anarchist and asserted that he would not work with any group unless they made decisions by consensus. - *WEST BANK VIOLENCE. Read more and sign a petition "Demand Accountability for Settler Violence in the West Bank" at https://civicshout.com/p/demand-accountability-for-settler-violence-in-the-west-bank*
- *WEST BANK: STOP THE SETTLEMENTS BILL H.R. 10642 might improve things although it is woefully inadequate. It might prevent future settlements but does nothing about the current illegal settlements whose residents are terrorizing Palestinians. See https://www.congress.gov/bill/119th-congress/house-bill/10642/ for the text of the bill and the sponsor list. So far in WA, only Reps Jaypal and Randall have co-sponsored. Urge yourRep to sign on at https://act.winwithoutwar.org/act/stop-the-settlements.*
- *GAZA: ISRAELI WAR CRIMES - FILM "NAZA" documenting some of Israel's war crimes as told by some of soldiers and intelligence officers who were involved. The film is running daily in Seattle and Bellevue through Nov 4; one time in Langley Nov 7, one time in*

Bellingham Nov 8. We are waiting to hear about screenings in Olympia and other locations.

- *For a WORLDWIDE BAN ON MILITARY AIR SHOWS. Read more and sign a petition at https://worldbeyondwar.org/ban-military-air-shows/*
- *WAR ON SAILORS – On Oct 27, the U.S. murdered 5 people in a small boat in the easter Pacific Ocean, claiming they were "narcoterrorists." In a bit over a year 240 sailors have been murdered. If you think this is immoral and illegal, let your Congresspeople know. See contact info below.*

OPPOSING ICE AND BORDER PATROL VIOLENCE AND DENIAL OF RIGHTS: **First they came for the immigrants.**

- *ICE CAN'T BE REFORMED. ABOLISH ICE. 60 people have died in iCE detention. More have died in our streets. Probably more have died due to medical neglect but were released and not counted. Sign a petition "Abolish ICE, shut down DHS prisons, and hold the Trump admin accountable for ICE violence!" at https://act.demandprogress.org/sign/ice-accountability-abolish/*
- *ANOTHER TERRIBLE ICE FACILITY! Tell Homeland Security Secretary Markwayne Mullin: "Shut down the Folkston ICE detention complex, investigate the death and reported abuses, and protect the people being held there." - *HAS YOUR VOTE BEEN RECEIVED? Do you need a ballot? Check it out at https://voter.votewa.gov/portal2023/login.aspx.*
- *TAXING BILLIONAIRES AND ENDING CORPORATION HANDOUTS. Send a message to all 70 U.S. Senate campaigns demanding they make taxing billionaires and ending corporate tax handouts part of their closing argument to voters. Read more andwrite letters from https://actionnetwork.org/letters/tell-all-70-us-senate-campaigns-to-run-on-taxing-billionaires.*
- *SOME BIG NUMBERS. The Climate Power organization quoted NYT's figure of U.S. OIL INDUSTRY PROFIT of $130 billion during the 8 months Iran War. It's hard to understand this number (at least for me). But consider we have about 330 million people in the U.S. Taking these numbers together, that's about $400 profit the Oil companies made for every person in the U.S. This isn't just what*

individuals pay filling gas tanks, but reflects the cost of transportation of goods, heating and cooling houses, etc. Consider that we each (infants to 108 year olds) effectively contributed $400 PROFIT to the fossil fuel industry. We might ask, what kind of system allows individuals to suffer and industry to thrive?

- *PROFIT FOR TRILLIONAIRE OR HEALTH FOR MIGRATING BIRDS? Read more and sign a petition to Stop Musk's Environmentally Destructive SpaceX base at https://action.eko.org/a/stop-musk-s-space-base.*

IRAN, THE U.S. AND THE WORLD IN CRISIS: A CONVERSATION

Mon Nov 2, 5-6:30 pm, Kane Hall, University of Washington, Seattle

What do negotiations to end the war in Iran look like to those at the table? What role might the United Nations or Gulf States play in ending the violence in Gaza or Lebanon? Is there hope for diplomacy with Russia?

Join us for a moderated conversation and Q&A with UW graduate and diplomat Dr. Mohamed Al-Hassan. With extensive experience navigating the US / Iran relationship; representing Oman at the United Nations and serving as the UN representative in Iraq; and leading Oman's diplomatic mission to Russia, Dr. Al-Hassan brings an insider's perspective on some of the most difficult diplomatic challenges of the day. Moderated by Director of the Henry M. Jackson School of International Studies Dr. Danny Hoffman and Director of the UW

Middle East Center Dr. Asli Cansunar. In person and online audiences will have the opportunity to submit their own questions in this wide-ranging exchange.

Sponsors: The Henry M. Jackson School of International Studies and Middle East Center in partnership with the Department of Political Science and UW Global at the University of Washington.

ADDRESSING RACIAL EQUITY IMPACTS OF EVICTIONS WITH RESEARCH, ANALYSIS, & ACTIONS

Weds Nov 4, 1-3 pm Pacific time, Zoom

Washington Housing Alliance Education Network presents a free virtual Fall Lunch & Learn 1-2:30 pm with post-session community space 2:30-3 pm.

Due to the roots of racism and discrimination within public policy and the fabricated culture of bias, communities of color and specifically Black women-led households are impacted at much higher rates. As we've learned, what impacts one of us impacts all of us. For our November offering, speakers will dive deeper into the evictions process, present research and trends that clearly mark racial disparities, and discuss what attorneys are seeing on the ground. We'll learn about both historical and current discriminatory and violent policies and practices driving low-income renters out of safe and affordable

housing, including Indigenous and tribal communities, farmworkers and immigrant families, rural residents, and people with disabilities. Tying this together will be opportunities to actively support 2027 legislative bills and budget asks that help people get housed and continue to stay housed, such as banning junk fees, the "Shelter not Penalties Act," continued funding for Right to Counsel, and more.

Speakers:

- Tim Thomas, Researcher, Eviction Research Network, UC Berkeley, and University of Washington
- Hannah Swenson, Managing Attorney, KCBA Housing Justice Project based in Spokane
- Andy Dugan, Executive Director, Skagit Legal Aid

Post-session community space 2:30-3pm: Optional community space will offer time to debrief, decompress, share resources, and ask questions from the speakers. This space will follow the actionshop after a 5 min music break, using the same zoom link.

THE DETENTION LOTTERY DRAMA
AN IMMERSIVE THEATER EXPERIENCE

Sun Nov 8, 3:30 pm, at Keystone Congregational Church, 5019 Keystone Place N, Seattle

The Detention Lottery is a play that immerses the viewer in an immigration detention center courtroom, as several audience members are detained upon entry, assigned identities as immigrants, and defend themselves against deportation as best they can in court, without preparation. The play opens up the covert, capricious, and byzantine immigration enforcement system to public scrutiny. Written by Margaret O'Donnell and directed by Amy Youngblood.

Presented by PSARA Puget Sound Advocates for Retirement Action and several other justice organizations. Suggested $20 donation. A benefit for Riverton Park United Methodist Church's Migrant Arrival Support Program. info organizer@psara.org

FILM "WISDOM OF HAPPINESS" FREE COMMUNITY SCREENING EVENT

Sun Nov 8, 4-6:30 pm Pacific time, Zoom

For 23 years, Meaningful Movies Project has brought communities together through free screenings and meaningful conversation. Join us for Wisdom of Happiness as we kick off our online auction and help ensure this legacy continues. Every donation from this screening goes directly back to MMP, so we can keep providing free community screenings like this one.

Wisdom of Happiness shows us a timeless truth: happiness is still possible, even in the midst of chaos and uncertainty. This powerful message of hope is delivered as a personal audience with one of the greatest living thinkers, Nobel Peace Prize winner Tenzin Gyatso, known to billions around the world as the Dalai Lama. Speaking as a member of our single global community, he shares practical wisdom for finding peace, compassion, and hope in the midst of chaos. With disarming clarity and deep humanity, he invites us to imagine — and help create — a world where compassion is activated as our strongest force for change, and happiness is within reach for everyone.

Guided Meditation & Post-Film Discussion: Join us for a live guided meditation followed by a post-film discussion immediately following the screening. Our High school intern from the Meaningful Movies Project will help to moderate a conversation about the film's themes with some our MMP Volunteers & Board Members as they share their insights and wisdom with us in how they cultivate peace, compassion, and hope from within.

Free, donations welcome. Tickets at https://www.eventbrite.com/e/wisdom-of-happiness-free-community-screening-event-tickets-2003748002214

REPORT LAUNCH:
GUN TRAFFICKING FROM THE UNITED STATES TO MEXICO

Mon Nov 9, 9 am Pacific time, Zoom

Presentation by John Lindsay-Poland and Eugenio Weigand Vargas. Research showed how Maricopa County, Arizona, has become the epicenter of gun trafficking to Mexico. The data show where crime guns are coming from, not only across the border into Mexico, but within the United States. The data also reveal who is making weapons sought by criminal groups, the routes they traverse, at what speed, and where in Mexico and the United States these weapons end up. Presented by Global Exchange and Stop US Arms to Mexico.

There is much more you can do. Because Arizona is so critical to stopping the weapons feeding violence in Mexico and elsewhere, we urge you to contact Arizona members of Congress to ask them to co-sponsor the ARMAS Act and Stop Arming Cartels Act.

WEBINAR - THE UKRAINE WAR NOW:

DIPLOMACY, POWER PLAYS, & DRIVING NEW NUCLEAR ARMS RACES

Mon Nov 9. 4 pm Pacific time, Zoom

Trump seems eager to end the Ukraine War on Putin's terms: full Russian control of Donbas. "Peace negotiations" between Russia and Ukraine are reportedly being planned. Putin has signaled that he is in no mood to make concessions. While Putin unleashes massive drone and missile attacks on Ukraine's energy infrastructure and people, Trump says that what Putin is doing in Ukraine is "fine." Zelensky is striking back, and Europe has yet to sign onto the "peace negotiations. The Ukraine War is driving a new conventional and nuclear arms race in Europe and East Asia.

Make sense of this madness with Anatol Lieven and George Bebe as we recalibrate for post-election advocacy to stop the killing and to end the war on as just a basis as possible. Initiated by the Campaign for Peace, Disarmament and Common Security Co-sponsored by Massachusetts Peace Action and by New Hampshire Peace Action

ARMISTICE DAY

Weds Nov 11, everywhere

Armistice day marks the end of fighting in World War I, Nov 11, 1918. This was a celebration of the end of war and of peace. The day was renamed Veterans Day in the United States, and sometimes comes with glorification of war. Meaning no disrespect to veterans, we choose to celebrate the end of a war, and the hope to end all war.

VETERANS RECLAIM ORIGINAL MEANING OF NOV 11 VETERANS DAY

Weds Nov 11, 10:30 am, in the South courtyard of St. James Cathedral, 804 9th Ave, Seattle

On November 11th, Veterans for Peace will honor the original name and intent of what started as Armistice Day, in 1919 to commemorate the end of World War I.

We will assemble at 10:30 and at 11 the church bells ring 11 times at the 11th hour of the 11th day of the 11th month marking the end of the war. Veterans For Peace calls on the US public to honor the resolution Congress passed in 1926 stating "it is fitting that the recurring anniversary of this date should be commemorated, with exercises designed to perpetuate peace through good will and mutual understanding between nations. . .". In 1938, Congress made November 11th a legal holiday, celebrating Armistice Day, dedicated to the cause of world peace and honoring veterans. But after World War Two, Congress decided to rename November 11th Veterans Day, which turned a day to perpetuate peace into a day of militaristic displays, patriotic jingoism, and discount meals for veterans. Veterans For Peace will join with others for a ceremony that will include a short statement on Armistice Day, the ringing of the bells, a moment of silence, some readings and songs celebrating the spirit of the day and will pass out white Peace Poppies honoring all victims of war.

Veterans For Peace is an international veteran's organization with 125 chapters nationally, and 6 chapters overseas. We are veterans who served, some went to war, came home and now work for peace. "In War Truth is the First Casualty" Aeschylus

PLAY ABOUT GAZA BY A GAZAN PLAYWRIGHT

Nov 12-21, Thursdays through Saturdays, 7:30 pm, at Cherry Street Village, 720 25th Ave, Seattle WA 98122

Gaza: The Silence Shouts, is a brilliant new play that delves into the hearts and minds of people in Gaza, each forging their own way through genocide. By Gazan playwright Khaled Alostath, with additional scenes by writers with families still in Gaza. Woven from poetry, family conversations, and the ordinary language of people living through genocide, the play holds grief next to desire, wry humor, and unfinished domestic life. A key survives its door. A needle stands in a piece of embroidery. Above the houses, drones watch; beyond Gaza, people watch, too. Throughout the play, grief persists, yet Gaza's voices always rise again.

Directed by Hanna Eady and arranged by Edward Mast, the play also includes contributions from two other writers from Gaza who have chosen to remain anonymous.

REMEMBERING CENTRAL AMERICAN MARTYRS

Sun Nov 15, noon Pacific time, Zoom

November 16th marks 37 years since 6 Jesuit priests and two women were martyred at the University of Central America (UCA) in San Salvador by U.S.-backed forces, a history that gave rise to the School of the Americas Watch (SOAW) movement and continues to shape struggles across Central America today.

From Mexico, to El Salvador, to Honduras, communities continue to confront militarization, displacement, criminalization, and the ongoing fight for land, justice, and self-determination. This year, we'll gather to remember the martyrs - known and unknown, hear from movements on the frontlines, and strengthen our commitment to international solidarity from the belly of the beast.

Besides remembering the UCA martyrs jon us for a reportback on SOAWatch's recent work with the Border Patrol Victim's Network.

MEANINGFUL MOVIES PERSISTS!

Ongoing, various dates. Now online, in person, and hybrid events.

The Meaningful Movies Project started in 2003 as a project of Wallingford (Seattle) Neighbors for Peace and Justice, a neighborhood affiliate of SNOW (Sound Nonviolent Opponents of War) with free weekly showings of films with social meaning, followed by discussion. Other neighborhood groups all over Washington State and beyond joined in this project with film viewings in their neighborhoods. See a list of these groups https://meaningfulmovies.org/events/locations/

The pandemic motivated the project participants to convert to online formats which continue, along with a partial return to in-person events. See https://meaningfulmovies.org/events/ for scheduled films.

MMP films and discussions, in person or online, are free, but donations are needed and gratefully accepted at

https://meaningfulmovies.org/donate/ or at Meaningful Movies Project, P.O. Box 31005, Seattle, WA 98103
